## About This Game

The Journey Of Forgotten Memories is a unique puzzle/adventure game set in an extraordinary fantasy world with breathtaking graphics.

Imagine a world between the worlds, a mysterious place of refuge for past dreams and memories long forgotten, a world where time itself has no meaning, a world filled with ancient mysteries and riddles, waiting for you to be discovered...

### Features:

- Dive into a dreamlike fantasy world with incredible atmosphere
- Breathtaking graphics and animations
- Unique fantasy adventure story
- Solve various types of challenging puzzles and riddles

- 
- Enjoy dreamy and relaxing music

Please note: This game only works on Windows PCs.
